

Professional Objective:

Seeking both Sales and Management Positions that will lead to both personal and professional growth.

I would like to continue to concentrate my efforts in offering both products and services that provide both short and long term benefits to the public and to be able to make a difference in people's quality of life. Looking for a career that provides both financial as well as Self Prosperity.

I'm searching for a sales and management environment where I can not only contribute my ability to motivate and train others but my very strong research and problem solving skills. Looking to also provide benefit to the organization with my extensive marketing background and advanced Design and Development Experience.
